

Gipiemme Pista K28 Track Wheels

Italian made track wheels by Gipiemme, perfect for all track racing/training, ideal for novice riders who can't ride deep carbon hoops but want a quality racing wheelset.

Non-touching aero spokes with locking nipples and washers, smooth bearings and flip-flop rear hub make these wheels a great option for anyone.

Available in Tubular or Clincher

Rim: 28mm, Aluminium welded 6082-T6, CNC holes, valve hole 6.5mm

Spokes: Sapim Aero nr.20 Stainless

Nipples: Self-Locking ABS L 13 with washers

Hub: Forged aluminium with smooth sealed bearings, double sided thread on rear

Weight (Tub): F 913g, R 972g
